DETAILED ACTION

1. The following correspondence is an Office Action for application 10/705,770 for a MONITOR, filed on 11/12/2003. Claims 1-25 are pending. Claims 1-8 and 21-25 have been cancelled.

Drawings

2. The drawings were received on 2/23/2007. These drawings are acceptable.

Allowable Subject Matter

3. Claims 9-20 are allowed.

Reasons for Allowance

4. The following is an examiner's statement of reasons for allowance: the prior art does not teach a first forcing member to bias the moving member in the first direction with a first force; a locking part located on the moving member; a locking hook located on one of the stand member or the base member to lock to and be released from the locking part of the moving member; and a second forcing member to bias the locking part in the second direction with a second force that is less than the first force, that releases the locking hook from the locking part when the sum of the second force and a third force acting on the moving member in the second direction, exceeds the first force, in combination with the other elements recited.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
